Comments	<p>How could anyone think this is a positive addition. It goes totally against the decision agreed upon in the Cherwell plan for future growth decided by all residents of the villages the the area. Resulting in massive build up of traffic and pollution. The erasing of woods and wildlife all those people who bought houses in the area thought they were getting. Stop it now please.</p> <p>There has been overbuilding in the area to date and this proposal is completely inappropriate and should be terminated .</p>
