<b>Comments</b>	<input type="text" value="This is not a need for Banbury. Junction 11 cannot support the existing traffic, grimsby and dual carriage way to a422 is also weekly at a stand still due to traffic and at the mercy of whatever happen on the M40, this would be unfair on local who would not see any benefits to Banbury, the villagers around, or nature and likely create flood problem further down the hill. We should be reducing road usage not increasing it. This will also be ugly to look at and make Banbury a warehouse with very low paid jobs that already exist in Banbury and are not being filled as it is."/>
