<b>Type</b>	<input type="text" value="neighbour"/>
<b>Comments</b>	<input type="text" value="The road infrastructure in Banbury is currently very poor, more unwanted eye sores on the edge town where years ago it was promised that no building work would be undertaken, creating extra traffic and pollution is not needed. Provision for a ring road to relieve Hennef Way is needed more, new motorway junction north (Hardwick Hill) and south (Aynho with a bypass and link road to existing Thorpe Way estate and new one) would significantly improve the roads and congestion long before any proposed application to destroy historical agricultural land."/>
