<b>Comments</b>	<input type="text" value="My primary objection is due to the environmental impact. Banbury is fast becoming completely encircled by new housing and warehouse developments. The warehouses already alongside the M40 are an eyesore and, together with the increasing number of housing estates, are turning this once rural town into an urban sprawl, which is close to swallowing up neighbouring villages completely. I am also extremely concerned about the loss of green spaces and wildlife habitats, and the negative effects on biodiversity."/>
