<b>Comments</b>	<p>This proposal is absolutely unacceptable. The council is perceived as money grabbing and not doing anything that the people of Banbury and nearby really want. Nobody wants these warehouses but what we do want is better parks and facilities. Many young families leave Banbury when they go on a day out - they go to Warwick, Leamington or Stratford and spend their hard earned money there instead of Banbury. Why? Because Banbury is not a pleasant place for a day out - Spiceball Park is awful for example. Why not invest in making that better (I am not talking about six BBQs for 20K - what a disgrace). Make Banbury a place people want to come to and spend money instead of growing your revenue with terrible sheds. People working on this project - please have a conscience and do what is right for Banbury, not the council's bank account.</p> <ul style="list-style-type: none"><li>- Noise and air pollution will be an issue</li><li>- What about the wildlife and nature?</li><li>- This was not in the local development plan so why has it even been proposed now?</li><li>- It will not be in keeping with the local countryside as you drive up towards Middleton Cheney and Chacombe - an eyesore - forever</li><li>- With so many empty warehouses there is surely no need for more - we can't get the staff to fill the existing ones</li></ul> <p>Let's make Banbury a place people can enjoy and want to come to and spend their money. In other parts of the county Banbury is seen as rough and it's joked about - let's make it somewhere we can all be proud of by making the right choices - and they don't involve concrete jungles. No-one wants them!</p>
