Comments	<input type="text" value="We support this application because access is important in Wroxton Lane for the Old Council Houses. I was in the fire service for 30 years, the people having to park either side of the close unwillingly cause an obstruction. I know of a few people who have had trouble passing through this part of Horley. It will make accessibility and safety much easier for the residents, emergency vehicles, Refuse lorries, farm vehicles etc."/>
