<b>Comments</b>	<input type="text" value="I am in full support of the proposed car park at the bottom of Wroxton Lane&lt;br/&gt;As a keen cyclist which I know all councils wish to support, the Lane is narrow and with parked cars on both sides makes it extremely narrow and as a cyclist one has to be very careful whilst passing through with the increased concern of approaching cars travelling too fast and unaware of the hazard compounded by loose grit that is often washed down the road during inclement weather is likely to cause an accident if one has to take evasive action.&lt;br/&gt;The provision of a car park would alleviate the hazard and minimise the risk with the cars parked off road"/>
