Comments	<input type="text" value="Having grown up in Horley I remain a frequent visitor as my dad lives there
The parking arrangements at the bottom of Wroxton Lane has become a major hazard to both vehicles and pedestrians, when approaching the village from Wroxton one has to be extremely careful as the bottom of the hill is a blind spot to the parked cars in fear of oncoming traffic , pedestrians including children and dog walkers.
An off road car park is essential to remove the hazard, I fully support the application"/>
