| <b>Comments</b>           | <input type="text" value="I support this application, the bottom end of the village has become a hazard due to the number of vehicles parked on the side of the road restricting access to the emergency services being able to get through. They also cause a blind spot make it dangerous for walkers of which there are many particularly youngsters doing their Duke of Edinburgh award.&lt;br/&gt;Also due the lack of parking cars are forced to park where they can and have over time destroyed the verges and have left the area as an eyesore. This parking is Badly needed and the sympathetic way they Parish Council have proposed to provide it will dramatically improve this end of the village."/> |
