<b>Comments</b>	<input type="text" value="It is a long time since this planning application was made. I am looking for progress in ending the chaos that involves the lower end of Wroxton Lane, Horley. Cars are parked willy-nilly on both sides of the road, making it difficult especially at night, to negotiate this, and indeed impossible for Emergency vehicles to reach the village. The formation of a Car-Park, the land having been generously donated by the owner, would at least alleviate the problem, and restore the 'Conservation Area' to something like what it was designed to be."/>
