<b>Comments</b>	<input type="text" value="As an Islip resident I strongly object to this application. The site is completely inappropriate as it lies on greenbelt land next to Otmoor. The change of use to industrial land is completely unacceptable. This would be visible from Islip and destroy beautiful countryside. The proposed area is ecologically important and inhabited by several protected species. This proposal puts the wider ecological landscape of the nearby rspb wetland area on Otmoor at risk. I strongly urge you to block this application."/>
