Comments	<p>Blenheim submitted a plan to build in this land a while ago to help with the unmet Oxford housing need. Cherwell DC rejected it. I feel Cherwell should reject it again.</p> <p>The town can not cope with an extra 500 house as well as the other proposed developments in Woodstock. The schools are already over subscribed and the doctors surgery currently can not cope with the current amount of residents let alone 500 more home owners. We do not have the infrastructure to build anymore properties.</p>
