<b>Comments</b>	<input type="text" value="I object to the proposed development. Woodstock, although not part of Cherwell D C, would bear the brunt of the negative impact of this development. With new housing developments at Park View, Hill Rise and Banbury Road the population of Woodstock is increasing but the infrastructure to support this increase is very much lacking. The A4095 and A44 are already very busy. The addition of the proposed development would increase driver/cyclist/pedestrian delays as well as air pollution. With a very limited sight line, crossing the road at Bladon Roundabout as a walker / cyclist is perilous. The additional traffic the new development would bring would increase the likelihood of collisions."/>
