Comments	<p>This developement is as far away from Cherwell as physically possible and all the effects on infrastructure will be on Woodstock and the WODC facilities...or lack of!</p> <p>Residents will no doubt want/expect to be able to send their children to the local schools and attend the GP. All these are currently oversubscribed and Blenheim have 2 further estates in WODC that they plan to build to add to the pressure locally.</p> <p>Does Cherwell plan to bus the children into it's schools or provide a new health centre for us?</p> <p>Will the "affordable housing" be available to the Woodstock families in need, or to people on the Cherwell housing lists?</p> <p>This plan was refused before in the past and we hope that previous reasons will prevail and this will be turned down again...</p>
