Comments	<input type="text" value="I live in Bladon, immediately next to this proposal. I object to these proposals for the reasons below
1) the reasons for refusing a previous application at this site have not been remediated
2) this proposal removes any boundary between Bladon and Woodstock, diminutizing both to a single strip of development
3) the local facilities cannot cope with my housing; the pharmacy that serves both villages, the schools, the doctors surgeries. It staggers me that Blenheim is permitted to develop multiple sites, all JUST under some artificial threshold to provide meaningful improvements to amenities if value. Had these developments been considered in a more coordinated fashion by the councils involved, society would have benefitted from many more schools, public services and infrastructure improvements."/>
