Comments	<input type="text" value="This field has had planning refused in the past I ask Cherwell District council to read this . and to object to this planning application of 500 houses . Woodstock has several large planning developments waiting to happen for hundreds of houses from Blenheim that we can not cope with . We have no green spaces ie fields left to enjoy lose of wildlife all the things that should be protected . Blenheim should be more interested in keeping fields due the the world situation that we are in at the moment .The consideration for community , quality of life does not enter into Blenheim plan to over kill development all around our area . Traffic impact alone on our local villages will be great Bladon Longhandbrough more development here Yarnton, Begbroke, Wooton , Stonesfield ,we will be at grid lock .We strongly object to this planning application ."/>
