<b>Comments</b>	<input type="text" value="1. What is the purpose of the proposed road linking this development to Park View&lt;br/&gt;2. This proposed road will become a 'rat run' especially at peak times or when there is an event at Blenheim&lt;br/&gt;3. If it is for access to the nursery or small retail area on Park View then this should be via a walkway&lt;br/&gt;4. If it is necessary to drive eg. due to physical limitations then there is already a route in off the A44 - generally driving should be discouraged for both health &amp; safety reasons.&lt;br/&gt;5. Increasing through traffic on Park View estate will inevitably increase the risk of accidents particularly for children/parents walking to the on-site nursery or on their way to school.&lt;br/&gt;6. It will lead to unauthorised parking on Park View for visitors to Blenheim - something which is already seeing for major events - taking up limited parking spaces for visitors to Park View residents"/>
