Comments	<input type="text" value="This will create a huge amount of traffic from every area , the doctors s and schools will be overrun - we cannot cope with anymore houses - we promised when purchasing our property there would be no more housing to be built - and here we are ! It's very dishonest encouraging us to purchase your properties on false pretensions - we would never have moved here had we known what was an exclusive place to live - this will turn into a free for all attracting all sorts of residents that will not appreciate the area in which they live . It took us personally 3 years to get here ! This cannot go ahead"/>
