Comments	<input type="text" value="As a long-term resident of Woodstock, and current owner of a home the Parkview estate in Woodstock, we strongly object. We see no evidence for improved facilities in the Town (which is already busting at the seams and in dire need of improved facilities). We also strongly object the planned road connection between this new estate and Parkview. The thought of an additional 500 homes using Cowells Road as a thoroughfare (on top of this forthcoming 300 homes scheduled for Parkview), would be terrible for our community and children's safety. If we wanted to live in a large sprawling metropolis, we would have moved to one years ago. Please don't turn Woodstock into one. Thank you for your time."/>
