Comments

I strongly object to this application. I am a resident of Park View and I am extremely concerned about the effect of a road linking with 500 extra houses.

I am particularly worried as there are so many families with very young children and I worry for their safety if traffic increases.

The current local services will not be able to cope with this increased demand. It is already very difficult to see the GP and there is seemingly no plan to provide a larger surgery and even if there was a better surgery, you still need GPs and nurses to work there.
