<b>Comments</b>	<p>I'm interested in the road that will connect this new site with Park View Cowells Road. I understand that in this point in the planning the final size and details of this road won't have been decided.</p> <p>I think the connecting road could be beneficial for both communities, particularly if there are amenities on the planned new site. However in order to ensure this road doesn't become a rat run and to protect the safety of residents traffic calming precautions would be important especially across the park land as well as a 20mph speed zone.</p>
