Comments	<p>Last year the council rejected planning permission for a modest extension to our home, alledging harm to the World Heritage site of Blenheim. We are under appeal over 1 year later.</p> <p>In light of this rejection, I cannot fathom how 500 additional houses close to WHS could in anyway not be Harmful to the character of the WHS.</p> <p>It is essential our council and planning department maintain a sense of proportionality and do no allow this application to go forward, if only to maintain their sense of credibility, integrity and self respect.</p> <p>Kind regards Jon & Angela Calvert</p>
