<b>Comments</b>	<input type="text" value="Woodstock is a small town which has recently had lots of new homes added. This 500 is in addition to the 720 that blenheim plan to build for Hill Rise etc. This would virtually double the size of Woodstock without appropriate infrastructure eg school places, GP surgery, pharmacy, road congestion and parking. There would also be an adverse impact on community feel. I object on the basis that without additional infrastructure Woodstock cannot cope with this many additional homes."/>
