<b>Comments</b>	<input type="text" value="The local planning inspector has already set a limit of 650 new homes surrounding Woodstock, a town of special historic interest. The scale of this additional development will swamp the local area, exacerbating traffic issues, congestion and pollution. Access roads into Oxford are already overwhelmed, especially at peak times Existing medical facilities are already overwhelmed, as are schools, and town centre parking. This development will result in a doubling of the size of Woodstock, resulting in a loss of community feel, as already identified. Why would you ignore the advice of the local planning inspector?"/>
