Comments	<input type="text" value="I am totally opposed to this application as the development of 500 houses will completely destroy Woodstock and the surrounding areas. The infrastructure particularly the roads cannot cope now, there are constant jams through Bladon, Upper Campsfield Road, the centre of Woodstock so adding an additional 500-1000 cars to this simply will cause gridlock. 500 houses will destroy the market town of Woodstock, the Doctors, Dentists cannot keep up with supply now, Parking in Woodstock will only get worse so this development should not go ahead. I think this is pure greed on behalf of the Duke of Malborough and the Estate with no appreciation to Woodstock or surrounding areas."/>
