Comments	<input type="text" value="With three areas already under development or ear-marked for development in Woodstock (Park View, Hill Rise and Banbury Road) I believe to include this area also is overdevelopment. I understand the need for housing- and affordable housing - but I think Woodstock will more than meet its obligation with the existing development. Apart from the loss of agricultural land, Woodstock does not have the infrastructure for this many additional houses. I do not know how it will cope with the existing development. It may be attractive for Cherwell District Council but the impact on schools, the surgery, roads etc will be felt in West Oxfordshire District."/>
