<b>Comments</b>	<input type="text" value="Why are you considering this application when I think west oxford turned them down also it seems that Cherwell are determined to build on every bit of land with no regard for wildlife you are turning the whole area into a concrete jungle. Bowing to the likes of the university's and Blenheim no matter what noises they make about being eco friendly they are both there for the money.&lt;br/&gt;Mike Horne"/>
