Comments:
Kidlington Parish Council accepts the principle of development on this site as it is an allocation site in the adopted Local Plan, although the overall number of dwellings applied for exceeds the allocation. Kidlington Parish Council is concerned about the one vehicular access to the site onto the slip road of the Oxford Road as it is close to the Kidlington roundabout at the bend in the road which is considered hazardous. Therefore, Kidlington Parish Council objects to the means of access to Oxford Road. Additionally, Kidlington Parish Council is not satisfied that the traffic generated by this development within the overall context of all the other developments proposed in adopted Local Plan to address Oxford's Unmet Housing Needs has been taken into account. This application needs to be considered within that context holistically and objects on that basis.
