

Thank you for consulting the Conservation Team on application 22/01772/PIP

The application site is not within a conservation area but is adjacent to The Lion public house which is a grade II Listed Building. There are no objections to the proposal in principle as it is considered that an appropriate scheme would not result in harm to the significance of the Listed Building through development within its setting. However the overall acceptability and resulting impact will depend on the scale and design of the development.

Kind regards

Emma Harrison

Senior Conservation Officer
