Comments	<p>REF 22/01773/F</p> <p>I want this application to be rejected again please as I consider further development on this site is very undesirable . All the roads coming to the site are unsuitable for heavy traffic . We have not been assured that the village infrastructure , drainage , sewerage, etc is sufficient to sustain more housing . The development would spoil a very beautiful rural area and would be extending into open countryside. We are getting many more cars in and through Sibford Ferris as the bus service is completely unsatisfactory and we have two schools in the Sibfords . I do not want to comment on the suitability of the project for older people as I am an older person myself !!! But without a car and without strength to walk up hill this is a poor area for the older person !! Please reject again Blue Cedar Homesapplicatio.</p>
