Comments	<input type="text" value="I have written before about this planning application from Blue Cedar Homes (reference number to 22/017) and told you why such a large increase in housing and population is not appropriate for the Sibfords. Please turn the application away again and ignore the ridiculous claim that the Council has been unreasonable by asking residents for their views. Blue Cedar took a calculated risk at their own expense and the local people have made it clear they do not want the villages to grow any more. Thank you in anticipation of some good news about this matter."/>
