<b>Comments</b>	<p>We are writing to state our objection to the classification of the above land for potential housing development. Among many reasons for objection the following are our principal concerns:</p> <ul style="list-style-type: none"><li>- our very small village does not have the infrastructure to support growth on this scale e.g. sewage, public transport, size and quality of roads etc etc.</li><li>- development cuts directly against Cherwell's own stated policy of protecting rural areas</li><li>- bordering an area of outstanding natural beauty, Sibford Gower is a gem that should be preserved;</li><li>- any such development would be at a huge environmental cost, when we all should be striving to reduce the carbon footprint</li><li>- as Cherwell is bound to ensure its local plan contributes to the mitigation and adaptation to climate change, it must surely restrict development to urban areas.</li></ul> <p>Yours faithfully,</p> <p>Antony and Louise Harwood</p>
