Organisation Name	<input type="text" value="Mark Adams"/>
Address	<input type="text" value="Shortland Park Stud, Hook Norton Road, Sibford Ferris, Banbury, OX15 5QR"/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<p>We are Sibford Ferris residents and live on Hook Norton Road, just south of this proposed development.</p> <p>We wish support the objections made by The Sibford Action Group which sets out with supporting evidence on why this resubmitted application should be rejected again.</p> <p>This proposed development in addition to the recently approved Blue Cedar development, will be a further erosion of the charm and character of Sibford Ferris village and would also create a considerable strain on the village infrastructure.</p> <p>This will also create additional road traffic on Hook Norton Road, which is already becoming overloaded and dangerous at certain times of the day. By expanding a relatively isolated village, it would create an additional car dependent population that certainly goes against the current drive for a more green future.</p> <p>We would also like to strongly recommend that this proposal goes to committee, so that the population of Sibford can have a voice in their future village and surrounding landscape.</p> <p>Regards</p> <p>Mark & Melanie Adams</p>
