Proposal: Variation of condition 2 (plans) of 21/02318/F - proposed amendments to plot 10

Location: Land To The South And Adj To, South Side, Steeple Aston

Parish(es): Steeple Aston

PERMISSION FOR DEVELOPMENT SUBJECT TO CONDITIONS

Cherwell District Council, as Local Planning Authority, hereby **GRANTS** planning permission for the development described in the above-mentioned application, the accompanying plans and drawings and any clarifying or amending information, **SUBJECT TO THE CONDITIONS SET OUT IN THE ATTACHED SCHEDULE.**

The reason for the imposition of each of the conditions is also set out in the schedule.

Cherwell District Council
Bodicote House
Bodicote
BANBURY
OX15 4AA

David Peckford

Assistant Director – Planning and Development

Checked by: Nathanael Stock

Date of Decision: 14th September 2022

SCHEDULE OF CONDITIONS

1. The development to which this permission relates shall be begun not later than 28th June 2024, that is, the expiration of three years beginning with the date of the original planning permission ref. 19/02948/F.

Reason - To comply with the provisions of Section 91 of the Town and Country Planning Act 1990, as amended by Section 51 of the Planning and Compulsory Purchase Act 2004.

2. Except where otherwise stipulated by conditions attached to this permission, the development shall be carried out strictly in accordance with the following plans and documents: Transport Statement prepared by Glanville Consultants dated 4 December 2019, Arboricultural Impact Assessment prepared by Sylva Consultancy dated December 2019, Flood Risk Assessment & Development Drainage Strategy (Rev. D) prepared by MJA Consulting dated November 2019, Noise Assessment report prepared by Hepworth Acoustics dated November 2019 and drawings numbered: "P.224.LP.01" (Location Plan), "P.224 SP 01 Rev. N" (Proposed site Plan), "P.224.MP.01M" (Materials Plan), "P.224.4B.DH.1795 (2220) Rev. C" (plots 1 and 3), "P.224.4B.DH.1551 (1651) Rev. C" (plot 2), "P.224.DH.1334 Rev B" (plots 4 and 5), "P.224.DH.1334 & 1029 Rev. F" (plots 6 and 7), "P.224.SD.2B.754 Rev. C" (plots 8 and 9) previously approved under application 21/02318/F and "P.224.DH.3B.1006 Rev. D (plot 10) accompanying email from Rectory Homes dated 08 08 2022.

Reason: For the avoidance of doubt, to ensure that the development is carried out only as approved by the Local Planning Authority and comply with Government guidance contained within the National Planning Policy Framework.

3. The development shall be carried out in accordance with the approved stone sample panel viewed on site by the planning officer on 27 April 2022 except for the mortar used in that stone sample panel. The mortar used for all stonework in the development shall be Remix Dry Mortar 1491. The dwellings shall be roofed with Samaca smooth black natural slate. The approved materials shall be retained as such thereafter.

Reason: To ensure and retain the satisfactory appearance of the completed development and in the interests of the character and appearance of the area and to comply with Policies ESD13 and ESD15 of the Cherwell Local Plan 2011-2031 Part 1, saved Policy C28 of the Cherwell Local Plan 1996, Policy PD5 of the Mid-Cherwell Neighbourhood Plan (2017-2031) and Government guidance contained within the National Planning Policy Framework.

4. The development shall not be implemented other than in accordance with the details of the architectural details of the dwellings, including windows, doors, heads, cills, lintels, eaves and verges approved under application ref. 21/02599/DISC and shall be retained as such thereafter.

Reason: To ensure and retain the satisfactory appearance of the completed development and in the interests of the character and appearance of the area and to comply with Policy ESD15 of the Cherwell Local Plan 2011-2031 Part 1, saved Policy C28 of the Cherwell Local Plan 1996 and Government guidance contained within the National Planning Policy Framework.

5. The surface water drainage scheme for the site shall be implemented in accordance with the details approved under application 22/01126/DISC prior to the completion of the development and shall be retained as such thereafter.

Reason: To ensure satisfactory drainage of the site and appropriate flood prevention and to comply Policy ESD 7 of the Cherwell Local Plan 2011-2031 Part 1 and with Government guidance contained within the National Planning Policy Framework.

6. Prior to occupation of the development hereby approved a record of the installed SuDS and the site wide drainage scheme shall be submitted to and approved in writing by the Local Planning Authority for deposit with the Lead Local Flood Authority Asset Register. The details shall include:

- i. As built plans in both .pdf and .shp file format;
- ii. Photographs to document each key stage of the drainage system when installed on site;
- iii. Photographs to document the completed installation of the drainage structures on site;
- iv. The name and contact details of any appointed management company information.

Reason: To ensure satisfactory drainage of the site and appropriate flood prevention and to comply Policy ESD 7 of the Cherwell Local Plan 2011-2031 Part 1 and with Government guidance contained within the National Planning Policy Framework.

7. Prior to the first use of the access hereby approved the existing access onto South Side shall be permanently stopped up by means of hedging and verge in accordance with details approved pursuant to the requirements of Condition 13 of this permission and shall not be used by any vehicular traffic whatsoever.

Reason: In the interests of highway safety and to comply with Government guidance contained within the National Planning Policy Framework.

8. The development shall not be carried out other than in accordance with the full specification details (including construction, layout, surfacing and drainage) of the parking and manoeuvring areas submitted under application ref. 21/02496/DISC, including drawing ref. "6355-MJA-SW-XX-DR-C-004 Rev P1". The parking and manoeuvring areas shall be provided on the site in accordance with the said details prior to the first occupation of the development and shall be retained unobstructed except for the parking and manoeuvring of vehicles at all times thereafter.

Reason: In the interests of highway safety and to comply with Government guidance contained within the National Planning Policy Framework

9. The development shall not be carried out other than in accordance with the full specification details of the vehicular accesses, driveways and turning areas to serve the dwellings, approved under application 22/01126/DISC. The access, driveways and turning areas shall be constructed in accordance with the approved details prior to the first occupation of any of the dwellings.

Reason: In the interests of highway safety, to ensure a satisfactory standard of construction and layout for the development and to comply with Government guidance contained within the National Planning Policy Framework.

10. The development shall not be carried out other than in accordance with the Construction Traffic Management Plan (CTMP) approved under application ref. 21/02319/DISC.

Reason: In the interests of highway safety and to mitigate the impact of construction vehicles on the surrounding highway network, road infrastructure and local residents, particularly at morning and afternoon peak traffic times.

11. The development shall not be carried out other than in accordance with the Construction Environmental Management Plan (CEMP: Biodiversity) approved under application ref. 21/02319/DISC. The approved CEMP: Biodiversity shall be adhered to and implemented throughout the construction period strictly in accordance with the approved details.

Reason: To protect habitats of importance to biodiversity conservation from any loss or damage in accordance with Policy ESD10 of the Cherwell Local Plan 2011-2031 Part 1 and Government guidance contained within the National Planning Policy Framework.

12. The development shall not be carried out other than in accordance with the method statement for enhancing biodiversity on site, to include measures for swift, approved under application ref. 21/02319/DISC. The biodiversity enhancement measures shall be carried out in accordance with the approved details prior to the first occupation of the development and shall be retained as such thereafter.

Reason: To conserve and enhance biodiversity and prevent the spread of non-native species in accordance with Policy ESD10 of the Cherwell Local Plan 2011-2031 Part 1 and Government guidance contained within the National Planning Policy Framework.

13. The development shall be carried out in strict accordance with the landscape scheme approved under application ref. 21/02599/DISC and the hard landscape elements shall be carried out prior to the first occupation of the development and shall be retained as such thereafter.

All planting, seeding or turfing comprised in the approved details of landscaping shall be carried out in accordance with BS 4428:1989 Code of Practice for general landscape operations (excluding hard surfaces), or the most up to date and current British Standard, in the first planting and seeding seasons following the occupation of the building(s) or on the completion of the development, whichever is the sooner. Any trees, herbaceous planting and shrubs which, within a period of five years from the completion of the development die, are removed or become seriously damaged or diseased shall be replaced in the current/next planting season with others of similar size and species.

Reason: In the interests of the visual amenities of the area, to ensure the creation of a pleasant environment for the development and to comply with Policies ESD13 and ESD15 of the Cherwell Local Plan (2011-2031) Part 1, saved Policy C28 of the Cherwell Local Plan 1996, Policy PD5 of the Mid-Cherwell Neighbourhood Plan (2017-2031) and Government guidance contained within the National Planning Policy Framework.

14. The development hereby approved shall not be carried out other than in accordance with the recommendations set out in Section 4 (Noise Mitigation Measures) of Noise Assessment report carried out by Hepworth Acoustics dated November 2019.

Reason: To ensure the creation of a satisfactory environment free from intrusive levels of noise and to comply with Policy ESD15 of the Cherwell Local Plan (2011- 2031) Part 1, saved Policy ENV1 of the Cherwell Local Plan 1996 and Government guidance contained within the National Planning Policy Framework.

15. The development hereby approved shall not be carried out other than in accordance with the scheme for the provision of vehicular electric charging points to serve the development approved under application ref. 21/02599/DISC. The vehicular electric charging points shall be provided in accordance with the said approved details prior to the first occupation of the dwelling they serve.

Reason: To comply with Policies SLE 4, ESD 1, ESD 3 and ESD 5 of the Cherwell Local Plan 2011-2031 Part 1 and to maximise opportunities for sustainable transport modes in accordance with paragraph 110(e) of the National Planning Policy Framework.

16. The development shall not be carried out other than in accordance with the desk study and site walk over to identify all potential contaminative uses on site approved under application ref. 21/02319/DISC.

Reason: To ensure that risks from land contamination to the future users of the land and neighbouring land are minimised, together with those to controlled waters, property and ecological systems, and to ensure that the development can be carried out safely without unacceptable risks to workers, neighbours and other offsite receptors in accordance with saved Policy ENV12 of the Cherwell Local Plan 1996 and Government guidance contained within the National Planning Policy Framework.

17. If a potential risk from contamination is identified as a result of the work carried out under condition 16, prior to the commencement of the development hereby permitted, a comprehensive intrusive investigation in order to characterise the type, nature and extent of contamination present, the risks to receptors and to inform the remediation strategy proposals shall be documented as a report undertaken by a competent person and in accordance with DEFRA and the Environment Agency's 'Model Procedures for the Management of Land Contamination, CLR 11' and submitted to and approved in writing by the Local Planning Authority. No development shall take place unless

the Local Planning Authority has given its written approval that it is satisfied that the risk from contamination has been adequately characterised as required by this condition.

Reason: To ensure that risks from land contamination to the future users of the land and neighbouring land are minimised, together with those to controlled waters, property and ecological systems, and to ensure that the development can be carried out safely without unacceptable risks to workers, neighbours and other offsite receptors in accordance with saved Policy ENV12 of the Cherwell Local Plan 1996 and Government guidance contained within the National Planning Policy Framework.

18. If contamination is found by undertaking the work carried out under condition 17, prior to the commencement of the development hereby permitted, a scheme of remediation and/or monitoring to ensure the site is suitable for its proposed use shall be prepared by a competent person and in accordance with DEFRA and the Environment Agency's 'Model Procedures for the Management of Land Contamination, CLR 11' and submitted to and approved in writing by the Local Planning Authority. No development shall take place until the Local Planning Authority has given its written approval of the scheme of remediation and/or monitoring required by this condition.

Reason: To ensure that risks from land contamination to the future users of the land and neighbouring land are minimised, together with those to controlled waters, property and ecological systems, and to ensure that the development can be carried out safely without unacceptable risks to workers, neighbours and other offsite receptors in accordance with saved Policy ENV12 of the Cherwell Local Plan 1996 and Government guidance contained within the National Planning Policy Framework.

19. If remedial works have been identified in condition 18, the development shall not be occupied until the remedial works have been carried out in accordance with the scheme approved under condition 18. A verification report that demonstrates the effectiveness of the remediation carried out must be submitted to and approved in writing by the Local Planning Authority.

Reason: To ensure that risks from land contamination to the future users of the land and neighbouring land are minimised, together with those to controlled waters, property and ecological systems, and to ensure that the development can be carried out safely without unacceptable risks to workers, neighbours and other offsite receptors in accordance with saved Policy ENV12 of the Cherwell Local Plan 1996 and Government guidance contained within the National Planning Policy Framework.

DEVELOPMENT MONITORING

The Council has identified the development hereby approved as one that it considers appropriate to monitor during construction. We would therefore be grateful if you could let us know of your intention to start the development at least 14 days prior to the commencement of work on site. You can do this by emailing the Council on: monitoring@cherwell-dc.gov.uk and providing us with the following information: application number; application address; and the date you intend to start the development. During the monitoring period, we will be assessing the development against the approved plans, and compliance with any conditions imposed on the permission. It is in your interest to comply with this request as it will help to avoid any unnecessary, and possibly expensive, corrective works.

INFORMATIVE NOTES TO APPLICANT

1. **Conditions** – the applicant's attention is drawn to the need to comply with all conditions imposed on this permission. Failure to do so could result in the council serving a breach of condition notice against which there is no right of appeal.

Under the Town and Country Planning (Fees for Applications, Deemed Application, Requests and Site Visits) (England) Regulation 2012 there is a fee payable each time you make a request to discharge any of the conditions attached to this permission. You can apply to discharge more than one condition at the same time. At the time of this decision the fee is £116 per request. The fee

may be more when you come to apply for the discharge of condition if the Regulations have been amended. The fee is payable when you submit the details to discharge the condition(s). The Council has '1app' forms for such applications, but their use is not mandatory.

The Council has eight weeks to respond to applications to discharge conditions, so you will need to make your application in good time before commencing development.

2. **Material Samples** – please note that where any of the above conditions require the approval of materials, material samples are no longer accepted at the Council offices and should in the first instance be left on the application site for the relevant case officer to view and assess in context with its surroundings. Material samples and sample panels should be placed/erected on the site before an application to discharge that condition(s) is submitted.

Should leaving samples on site be impractical then arrangements should be made with the relevant case officer to view samples on site.

STATEMENT OF ENGAGEMENT

In accordance with the Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended) and paragraph 38 of the National Planning Policy Framework, the Council has worked positively, creatively and proactively to determine this application within the agreed timescales, having worked with the applicant/agent where necessary and possible within the scope of the application (as set on in the case officer's report) to resolve any concerns that have arisen, in the interests of achieving more appropriate and sustainable development proposals. Consent has been granted accordingly.

The case officer's report and recommendation in respect of this application provides a detailed assessment of the merits of the application when considered against current planning policy and guidance, including consideration of the issues raised by the comments received from consultees and members of the public. This report is available to view online at: <http://www.cherwell.gov.uk/viewplanningapp>.

NOTICE OF DECISION

TOWN AND COUNTRY PLANNING ACT 1990 (AS AMENDED)

NOTES TO THE APPLICANT

TIME LIMITS FOR APPLICATIONS

By virtue of Sections 91-96 of the Town and Country Planning Act 1990, as amended by Section 51 of the Planning and Compulsory Purchase Act 2004, planning permissions are subject to time limits. If a condition imposing a time limit has been expressly included as part of the permission, then that condition must be observed.

OTHER NECESSARY CONSENTS

This document only conveys permission or approval for the proposed development under Part III of the Town and Country Planning Act 1990 and you must also comply with all the bye-laws, regulations and statutory provisions in force in the District and secure such other approvals and permissions as may be necessary under other parts of the Town and Country Planning Act 1990 (as amended), or other legislation.

In particular you are reminded of the following matters:

- The need in appropriate cases to obtain approval under the Building Regulations. **The Building Regulations may be applicable to this proposal. The Building Regulations may be applicable to this proposal. You are therefore advised to contact the District Council's Building Control Manager before starting work on site - Telephone: 01295 227006. Email: Building.Control@Cherwell-dc.gov.uk**
- The need to obtain an appropriate Order if the proposal involves the stopping up or diversion of a public footpath.
- Data supplied by the National Radiological Protection Board (NRPB) and the British Geological Survey (BGS) suggests that the site of this application falls within an area which is potentially at risk from radon. This may require protective measures in order to comply with the Building Regulations if your consent relates to a new dwelling or house extension. Further advice on whether protective measures are required under the Building Regulations can be obtained by contacting the Building Control Manager on 01295 227006 or E-mail at building.control@cherwell-dc.gov.uk
- The need to obtain a separate "Listed Building Consent" for the demolition, alteration or extension of any listed building of architectural or historic interest from the Local Planning Authority.
- The need to make any appropriate arrangements under the Highways Act in respect of any works within the limits of a public highway. The address of the Highway Authority is Oxfordshire County Council, Speedwell House, Speedwell Street, Oxford, OX1 1NE.
- It is the responsibility of the applicant to ascertain whether their development affects any public right of way, highway or listed building.

APPEALS TO THE SECRETARY OF STATE

If you are aggrieved by the decision of the Local Planning Authority to refuse to grant planning permission or grant planning permission subject to conditions, you can appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990.

If you wish to appeal, then you must do so within **6 Months** of the date of the decision **Unless**;

- The decision on the application relates to the same or substantially the same land and the

development is already the **subject of an enforcement notice** then you must appeal within **28 days** of the date of the Local Planning Authority's decision on the planning application.

- If an **enforcement notice is served** relating to the same or substantially the same land and development as in your application and if you want to appeal the decision, then you must do so within **28 days** of the service of the enforcement notice, or 6 months (12 weeks for householder and minor commercial) of the date of this decision whichever is the sooner

Forms can be obtained from the **Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN. Tel (0303 444 5000) Or online at www.planningportal.gov.uk/pcs**. The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to them that permission or approval for the proposed development could not have been so granted otherwise than subject to the conditions imposed by the Local Planning Authority, having regard to the statutory requirements, to the provisions of the development order and to any directions given under the order.

In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by them.

PURCHASE NOTICES

If either the Local Planning Authority or the First Secretary of State grants permission or approval for the development of land subject to conditions, the owner may claim that they can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the District Council. This notice will require the District Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

COMPENSATION

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is granted subject to conditions by the Secretary of State on appeal or on reference of the application to them.

These circumstances are set out in the Town and Country Planning Act 1990 as amended by the Planning and Compensation Act 1991.
