Comments	<p>In addition to Ambrosden Parish Council's earlier comments, please note the following: Ambrosden Parish Council would ask if other projects, such as Graven Hill housing; Wretchwick Green; the ongoing works at Ploughley Road junction and the increasing traffic at Symmetry Park be taken into consideration.</p> <p>The works must cause minimal effect on traffic using the road, given the terrible delays recently.</p> <p>The works must not cause any impact on the environment or any existing infrastructure. It must not cause a mess on the roads, potentially affecting surrounding drainage.</p> <p>It must not be 24/7, allowing local residents some time off from the work, noise or any delays.</p>
