<b>Comments</b>	<p>The application is objected due the development noise and pollution in the area as well as lack of road infrastructure to accommodate such a development. Such a development would also have a major adverse impact on house pricing within the area.</p> <p>In addition such a development will take years and the dust and noise that it will create would be unacceptable.</p> <p>Does the local authority have sufficient school places available for such a development.</p>
