Type	<input type="text"/>
Comments	<p>We object to this proposal.</p> <p>The majority of this part of the development is outside our Parish. We are very concerned that the built development comes very close to the edge of the SaltWay. We thought the ecological and landscape value of the SaltWay was to be protected with a landscape buffer zone planted with native trees and shrubs. There is no evidence of this and in our view is very important.</p>
