Comments	<input type="text" value="The infrastructure of Banbury is a growing problem, Dover Avenue is already a high speed unsafe cut through for people coming off of Bretch hill accessing Edinburgh way, 250 more houses with multiple cars at most of them will cause huge safety problems. Without taking into account the need for doctors, dentists, schooling. Banbury is a dying town that needs a lot of work, but that doesn't include yet more houses and less green space."/>
