Address	14 Bennett Drive,Banbury,OX16 1HX
Type of Comment	Objection
Type	neighbour
Comments	<p>As a resident of the already built Bloor development, I am oposing this expansion due to already seeing problems with the current estate. There is no infrastructure for even more houses. The proposed keeping of the two existing accesses to the development is already insufficient and sometimes dangerous for the residents. Bloor has proved incapable of handling simple things such as keeping green areas tidy and arranging bin collections to public spaces, resulting in bins overflowing with poo bags next to a kids playground. The GPs and dentists are over capacity in the area. The roads are not fit for buses to go through, will there be public transportation for those living still further away? The current construction traffic road will have to continue to be used for the unforeseeable future, and it is already a problem since it's next to the playgroud and the vehicles are always at speed. I see no good coming from this except money in Bloor's pockets. Thank you for reading, please consider my thoughts.</p>
