Comments:

I am objecting this. I am a resident that lives on Dover avenue, the very street you're planning to divert traffic and bicycles to. It's almost as if not a single person has actually visited Dover avenue before making this choice. Dover avenue is one of the worst streets in Banbury for parking already. In fact Cherwells own refuse truck often has difficulty accessing this street already.

Adding more traffic to Dover avenue will only increase the risk of accidents as this street is not fit for the purpose you intend.

Next I'd like to reflect on the poor resources in the town such as the hospital and GP surgeries. There simply isn't enough resources for more homes to be built. Realisticly I highly doubt the so called affordable homes in this scheme will actually be affordable for the common working person.
