**Comments:**

I am fully supportive to the expansion of Banbury Rise, however, to my mind, the current road infrastructure funnelling traffic through the existing estate and Wilson Road is not adequate to cope with the additional load. Therefore, I caution the impact this will have on the current residents/development, yet this could be alleviated by the creation of an addition access road from Balmoral Avenue or Broughton Road.

Furthermore, I would suggest the addition of local amenities to support the growing community, such as grocery store, post office and doctor surgery.
