Comments	Very tight roads already! Hard to get in or out from the estate already. Another 250 dwellings will have a massive impact on traffic. There is no playground(the one there is a joke, I'm sorry). No shops, surgeries, schools, no infrastructure generally to cope with extra houses. Money is not everything, think about people already living there. Very unfair and cheeky way for Bloor Homes to keep expanding estate they have said they will leave by now with no extensions done, not mentioning 3rd phase being build already. Please do not do this for the community. Best regards
