Good morning,

We write to request a Screening Opinion on behalf of our client, JBM, in accordance with Regulation 6(1) of the Town and Country Planning (Environmental Impact Assessment) Regulations 2017 (the 'EIA Regulations').

In accordance with Regulations 6(2), we provide:

- A red line location plan, with the site outlined in red;
- A brief description of the existing site and its setting; and
- A brief description of the nature and purpose of the development and its possible effects on the environment.

In addition to this, we also provide an indicative site layout plan to assist with your assessment.

We would be grateful for an acknowledgement or formal receipt of this submission, together with notification of the expiry date of the statutory three week period and confirmation that the Screening Opinion will be placed on the Public Register in accordance with Regulation 28(2) of the Regulations.

We look forward to receiving your Screening Opinion. Should you need any further information, please do get in contact using the details below.

Kind regards,

Jacques
