Subject: RE: Planning notification for application reference: 22/02470/DISC

Dear Sir/Madam,

Ref: 22/02470/DISC OS Parcels 3309 and 4319 Adjoining and North of Milton Road, Adderbury

The applicant has submitted a written scheme of investigation from Cotswold Archaeology for the archaeological watching brief required by condition 12 of permission 21/00104/F.

This WSI is acceptable and meets the requirements of condition 12 and we are therefore satisfied that this condition (12) can be discharged.

Condition 13 asked for the archaeological evaluation and mitigation; the watching brief is the archaeological mitigation and has not yet taken place, and so I cannot discharge it at this time. The supplementary documents supplied show that the applicant is aware that condition 13 cannot be discharged until the watching brief has taken place.

Kind regards,

Victoria
