Comments	<input type="text" value="I feel there are enough houses in ambrosden, no room for children in school , not everyone has a car to ferry them elsewhere if there any room in them. The roads in ambrosden not suitable i know they are trying to improve A41 but if you want to go to bicester you hit the railway the bypass is so busy peak times. Well all day really. All some of these cars will head to Oxford up merton road that road is congested and they are building houses along there which will make it worse the infrastructure around the area has not been successful."/>
