Address	<input type="text" value="11 Rowan Close,Ambrosden,Bicester,OX25 2RW"/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="Our village does not have the infrastructure or amenities to support this additional housing on top of the houses which are currently being built close by and the other application off of Blackthorn Road. We have a small primary school that is already struggling with capacity. We do not have enough shops for the current villagers already living here. Our roads are getting busier too with the influx of traffic. People in Ambrosden have a village community and many people live here for that reason. It is awful that you are driving people out of a village. Those in neighbouring roads have their properties because they like to be amongst fields and greenery and do not wish to live somewhere where all you can see is houses and buildings. This particular field houses a lot of wildlife and you are killing off their habitat. We do not want any more housing and we do not need any more housing. Listen to this community and village"/>
