Organisation Name	<input type="text"/>
Name	<input type="text" value="Rachel Matthews"/>
Address	<input type="text" value="19 Briar Furlong,Ambrosden,Bicester,OX25 2AD"/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="The village infastructure cannot support anymore homes or cars in the village. The proposed lights onto the A41, and hundreds of more cars in the village, will mean that traffic very quickly backs up down the Ploughley Road. It will make getting in and out of Briar Furlong very difficult, as well as the village itself. The village also has limited facilities, which means we have to go into Bicester for shopping, cafes, entertainment, sports facilities, Dentistry, private nurseries, secondary schools and Doctors etc. Our GP surgery cannot cope with the number of patients it has, let alone adding hundreds more. Ambrosden also has limited parking throughout, and again additional houses will result in hundreds of additional vehicles. Furthermore, the A41 cannot support the additional traffic. It is single lane traffic to Bicester and Aylesbury and with the warehouses already built the road is very busy and cannot stand the addition of hundreds of vehicles."/>
