<b>Organisation Name</b>	<input type="text"/>
<b>Name</b>	<input type="text" value="Heidi Owen"/>
<b>Address</b>	<input type="text" value="23 Briar Furlong, Ambrosden, Bicester, OX25 2AD"/>
<b>Type of Comment</b>	<input type="text" value="Objection"/>
<b>Type</b>	<input type="text" value="neighbour"/>
<b>Comments</b>	<input type="text" value="I would like to strongly object to this application. Ambrosden is already heavily populated and does not have the infrastructure or amenities to support current resident numbers.&lt;br/&gt;&lt;br/&gt;The traffic through the village causes problems now let alone adding more housing. Thought also needs to be given to school places for children. Our village school can't cope and the schools in Bicester are over subscribed. This point is also echoed for GPs and Dentists. You may think that new residents to Ambrosden can just use these services in Bicester. Wrong!! Bicester is too large and does not have the infrastructure to cope with the current population.&lt;br/&gt;&lt;br/&gt;I would also like to say that I want to live in a village and not be joined to Bicester. Our village is already so large that we are losing our village community spirit.&lt;br/&gt;&lt;br/&gt;I feel that building work in Ambrosden is not due to fulfilling housing needs but is purely for profit. I find this unacceptable. I feel that if further housing must be added to our village then there must be some real thought on infrastructure, traffic and proper provision of amenities for our village.&lt;br/&gt;We have enough children's parks and the odd green area and adding these things to new build developments to sweeten the deal no longer holds weight.&lt;br/&gt;&lt;br/&gt;Please stop destroying our village and countryside. Surveys are one thing, but to have a real idea of the consequences of new developments you must have actual knowledge and experience of the local area. Truly consider the realities of day to day living in that area to understand the impact that so many houses and extra residents will have. Please, please stop building just to make profit and consider the damage these extra developments make to our village and our communities."/>
