<b>Comments</b>	<input type="text" value="There are already plenty new builds in this area. The school is overwhelmed the doctor surgeries also overwhelmed.The road in and out of the village is diabolical now there is only one way in and out. The blackthorn road is busy and dangerous already with nothing being done for school children to cross. The school cannot cater for the children as it is why add more. The village has lovely outdoor settings why ruin this with more traffic and pollution. Bicester traffic is already increasing. completely unnecessary"/>
