Comments	<input type="text" value="We already have new houses being built on the Merton road, planning application for further houses on the blackthorn road, so further houses with this application is unnecessary. We do not have the facilities to support further houses within the village. Constant promises are made but nothing is ever actually provided other than play parks. Serious consideration needs to be applied to this application, to ensure the future of the village and residents is protected. We have 4 exits from the village and further houses are looking to be built or are already being built at 3 of them."/>
